1 All features of this system require an active Internet connection and the use of a supported browser.

2 Product comes with a 1-year limited warranty with the option to purchase extended service plans up to a total of 5 years of continuous coverage. Extended service plan can be purchased at any time that you are covered under an Epson limited warranty or Epson extended service plan to avoid product inspection fees.

3 Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device. For a list of Epson Connect™ enabled printers and compatible devices and apps, visit www.epson.com/connect

4 Wilhelm Imaging Research lightfastness ratings are based on accelerated testing of prints on specified media, displayed indoors, under glass. Actual print stability will vary according to media, printed image, display conditions, light intensity, humidity and atmospheric conditions. Epson does not guarantee longevity of prints. For maximum print life, display all prints under glass or UV-absorbing acrylic and protect them from prolonged high-humidity environments. Visit www.wilhelm-research.com for the latest information.

5 99% coverage of PANTONE PLUS FORMULA GUIDE solid-coated palette based on Epson Proofing Paper White Semimatte printed with the Epson Driver—for P5000, at 2880 x 1440 dpi; for P7570 and P9570, at 2400 x 1200 dpi. PANTONE coverage may vary when printed under other conditions.

6 Wi-Fi CERTIFIED™; level of performance subject to the range and type of router being used. Wi-Fi Direct may require printer software.

7 Print speeds are based on the print engine speed only. Total throughput time for any print depends on various factors including workstation configuration, file size, print resolution, ink coverage and networking. Actual print speeds will vary.

8 For T5770DM, based on scans at 300 dpi in Black-and-White or Color Mode; for T7770DM, based on scans at 200 dpi in Black-and-White or Color Mode.

PRODUCT FEATURES

SureColor P700/P900
- UltraChrome PRO10: 10-color pigment ink with Violet produces a wide color gamut for vibrant and rich colors for outstanding photo quality
- No Photo and Matte Black Ink switching required
- Advanced 10-channel MicroPiezo AMC™ printhead for consistent print delivery, speed and accuracy
- Carbon Black Driver Technology dramatically increases Dmax for stunning density on glossy and metallic glossy media
- Easily prints color-managed files directly from computers and iOS® devices[5]
- Accommodates Epson and third-party professional roll and sheet media up to 1.5 mm thick
- 4.3" customizable touchscreen, wireless connectivity and interior LED light for fast, convenient operation
- Compact design—23 percent smaller than our previous generation
- Industry-leading print permanence—up to 200 years for color prints and 400 years for black-and-white prints[4]

SureColor P5000CE plus SpectroProofer
- UltraChrome HDX: 10-color pigment ink with Orange and Green
- 10-channel PrecisionCore TFP® printhead with high-performance print engine speeds
- Commercial Edition features Violet Ink for 99 percent PANTONE® PLUS FORMULA GUIDE solid-coated color matching[6]
- Industry-leading print permanence—up to 200 years for color prints and 400 years for black-and-white prints[4]
- 11 individual high-capacity ink cartridges—up to 200 mL each
- Handles roll or cut-sheet media up to 17" wide
- High-speed rotary cutter
- Compatible with most leading RIP and workflow software
- SpectroProofer included

SureColor P6570D/P6570DE/P6570E
- UltraChrome PRO6: pigment ink with Gray
- 12-channel PrecisionCore MicroTFP 2.6" printhead
- 6 individual production-capacity ink cartridges—up to 700 mL each
- Dual-roll auto loading and switching with built-in take-up reel
- Adobe® Embedded Print Engine included in P6570D; optional in P6570DE and P6570E
- Compatible with most leading RIP and workflow software
- Optional internal 960GB SSD storage drive
- Optional 24" print stacker
- Versatile printing options—easily print directly from USB thumb drives, tablets, smartphones and more[3] with integrated wireless plus router-free Wi-Fi Direct®

SureColor P8570D/P8570DL
- UltraChrome PRO6: pigment ink with Gray
- 12-channel PrecisionCore MicroTFP 2.6" printhead
- 6 individual production-capacity ink cartridges—up to 700 mL each
- High-capacity 6-color, 1.6 L ink pack system to maintain long production uptime (P8570DL only)
- Dual-roll auto loading and switching with built-in take-up reel
- Adobe Embedded Print Engine included
- Compatible with most leading RIP and workflow software
- Optional internal 960GB SSD storage drive
- Optional 44" print stacker
- Versatile printing options—easily print directly from USB thumb drives, tablets, smartphones and more[3] with integrated wireless plus router-free Wi-Fi Direct®

SureColor P7570/P9570
- UltraChrome PRO12: pigment ink with Violet produces astounding color with up to 99 percent coverage of the PANTONE PLUS FORMULA GUIDE solid-coated standard[6]
- 12-channel PrecisionCore MicroTFP 2.6" printhead
- Real-time Photo and Matte Black Ink switching
- Industry-leading print permanence—up to 200 years for color prints and 400 years for black-and-white prints[4]
- 12 individual production-capacity ink cartridges—up to 700 mL each
- Black Enhance Overcoat Driver Mode for remarkably high Dmax on glossy papers
- New print engine with interior LED, user maintenance functions and customizable 4.3" touchscreen
- Compatible with most leading RIP and workflow software
- Optional internal 320GB print server, Adobe PS engine, take-up reel (P9570 only) and SpectroProofer

SureColor P20000
- UltraChrome PRO: pigment ink for bold, rich production graphics and photographic prints
- 10-channel PrecisionCore MicroTFP 2.6" printhead with production-class speeds
- Print indoor display graphics with eye-catching photographic quality at 209 ft²/hr in High-Quality Mode; draft speeds up to 1,311 ft²/hr[7]
- 10 individual 700 mL production-capacity ink cartridges
- Industry-leading print permanence—up to 200 years for color prints and 400 years for black-and-white prints[4]
- Outstanding print quality with four levels of Black (three levels of Gray, plus Matte or Photo Black) for accurate transitions with low grain
- Included 320GB internal print server
- Compatible with most leading RIP and workflow software

SureColor T2170
- Fast print speeds—produce accurate A1/D-size prints in 43 seconds[7]
- Precise, sharp detail—print blueprints, line drawings, posters and more at up to 2400 dpi
- Replace ink less often—high-capacity cartridges of up to 50 mL color and 80 mL Black
- Print from virtually anywhere in the office—easily print from tablets, smartphones and more[3] with integrated wireless plus router-free Wi-Fi Direct®
- Versatile media handling—accommodates rolls and sheets up to 24" wide and sheets up to 11" x 17" through the Auto Sheet Feeder
- Compact, award-winning design—ultra small footprint and sleek, minimal design that enhances your workspace
- Copy letter-sized documents into large posters without the need for a computer using compatible Epson scanners; printer is compatible with Epson DS-530, DS-7000 and DS-7500

SureColor T3170/T5170
- Breakthrough print speeds—produce accurate A1/D-size prints with T3170 in as little as 34 seconds; with T5170, in as little as 31 seconds[7]
- Precise, sharp detail—print blueprints, line drawings, posters and more at up to 2400 dpi
- Print from virtually anywhere in the office—easily print from tablets, smartphones and more[3] with integrated wireless plus router-free Wi-Fi Direct®
- Replace ink less often—high-capacity cartridges of up to 50 mL color and 80 mL Black
- Versatile media handling—accommodates rolls and sheets up to 24" wide and sheets up to 11" x 17" through the Auto Sheet Feeder
- Compact, award-winning design—ultra small footprint and sleek, minimal design that enhances your workspace
- Copy letter-sized documents into large posters without the need for a computer using compatible Epson scanners; printer is compatible with Epson DS-530, DS-7000 and DS-7500

SureColor T3170M/T5170M
- Compact design with integrated 600 dpi scanner
- Scan, copy and share to USB drives, network folders, email and FTP servers
- Create multipage PDFs; enlarge/reduce copies with line precision enhancement for blueprints, tracing paper and fine text
- Breakthrough print speeds—produce accurate A1/D-size prints with T3170M in as little as 34 seconds; with T5170M, in as little as 31 seconds[7]
- Precise, sharp detail—print blueprints, line drawings, posters and more at up to 2400 dpi
- Print from virtually anywhere in the office—easily print from tablets, smartphones and more[3] with integrated wireless plus router-free Wi-Fi Direct®
- Versatile media handling—accommodates rolls and sheets up to 24" wide and sheets up to 11" x 17" through the Auto Sheet Feeder

SureColor T3170x
- Cartridge-Free Printing—high-capacity ink bottles with auto-stop for easy, mess-free filling
- Fast print speeds—produce accurate A1/D-size prints in as little as 34 seconds[7]
- Two full bottle sets of ink are included in the box and can produce a substantial number of posters and/or technical drawings
- Precise, sharp detail—print blueprints, line drawings, posters and more at up to 2400 dpi
- Versatile media handling—accommodates rolls and sheets up to 24" wide and sheets up to 11" x 17" through the Auto Sheet Feeder
- Versatile printing options—easily print directly from tablets, smartphones and more[3] with integrated wireless plus router-free Wi-Fi Direct®
- Copy letter-sized documents into large posters without the need for a computer using compatible Epson scanners; printer is compatible with Epson DS-530, DS-7000 and DS-7500

SureColor T3475/T5475
- Powerful workgroup printing—produce accurate A1/D-size prints in as little as 22 seconds[7]
- Replace ink less often—high-capacity replacement ink cartridges of up to 700 mL for enhanced productivity
- Fast, easy navigation—includes a built-in 4.3" LCD screen with touch panel
- Includes 2" or 3" user-adjustable roll media adapters
- Precise, sharp detail—print blueprints, line drawings, posters and more at up to 2400 dpi
- Versatile printing options—easily print directly from USB thumb drives, tablets, smartphones and more[3] with integrated wireless plus router-free Wi-Fi Direct®
- Space-saving design, with easy-to-access top-loading paper and front-loading ink
- Integrated security features—help protect your information with advanced network security and encryption features

SureColor T5470M
- Integrated 36" scanner for easy collaboration and ability to copy, scan, and share
- Ultra fast print speeds—print A1/D-size prints in as little as 16 seconds[7]
- Ultra compact design installs quickly and fits virtually anywhere
- Adobe Embedded Print Engine for fast processing of complex PDF files[8]
- Dual-roll productivity with automatic roll loading and switching for easy loading and unattended production printing[***]
- Exceptional print accuracy at resolutions up to 2400 x 1200 dpi
- Replace ink less often—high-capacity replacement ink cartridges of up to 700 mL for enhanced productivity
- Compatible with most leading RIP and workflow software
- Over 28 IT and security features
- Optional 960GB solid state memory drive
- Optional production output stacker

SureColor T3770D/T3770DE/T3770E/T5770D/T7770D/T7770DL
- 6-color UltraChrome XD3 Ink with Red for rich branding colors
- Ultra fast print speeds—print A1/D-size prints in as little as 16 seconds[7]
- Ultra compact design—lightweight and portable, well-suited for on-site event photography and photo booths
- Adobe Embedded Print Engine for fast processing of complex PDF files[8]
- Dual-roll productivity with automatic roll loading and switching for easy loading and unattended production printing[***]
- Versatile printing options—easily print directly from USB thumb drives, tablets, smartphones and more[3] with integrated wireless plus router-free Wi-Fi Direct®
- Space-saving design, with easy access to front-loading ink and scanner with no additional footprint vs. single-function printers
- Integrated security features—help protect your information with advanced network security and encryption features

SureColor T5770DM/T7770DM
- Scan and copy wide documents with integrated 36" wide dual-light scanner
- High-speed scanning to USB, mobile devices, PCs, network folders and more at speeds up to 10 ips (black-and-white) and 4.5 ips (color)[8]
- Supports scanning to PDF, JPEG and TIFF files
- 6-color UltraChrome XD3 Ink with Red for rich branding colors
- Ultra fast print speeds—print A1/D-size prints in as little as 16 seconds[7]
- Adobe Embedded Print Engine for fast processing of complex PDF files[8]
- Dual-roll productivity with automatic roll loading
- Exceptional print accuracy at resolutions up to 2400 x 1200 dpi
- Replace ink less often—high-capacity replacement ink cartridges of up to 700 mL for enhanced productivity
- Compatible with most leading RIP and workflow software
- Over 28 IT and security features
- Optional production output stacker

SureLab D570
- Outstanding image quality from 6-color UltraChrome D6r-S Ink produces crisp, vibrant pictures
- Ultra compact design—lightweight and portable, well-suited for on-site event photography and photo booths
- Low power consumption—energy efficient enough to be used with a user-provided portable battery, for printing wherever you need it
- Scale up with your business—add more printers to keep up with customer print volume demand; stackable design to fit into your individual environment
- Zero cartridge waste—UltraChrome D6r-S high-capacity 70 mL ink bottles
- Photos on demand—prints on single- and double-sided glossy and luster sheets up to 4" x 6" in as little as 14 seconds[7]
- Versatile connectivity—easily connect to and control one or multiple printers over Wi-Fi, Ethernet or USB

SureLab D1070/D1070DE
- Outstanding image quality from 6-color UltraChrome D6r-S Ink produces crisp, vibrant pictures
- Fast print speeds—up to 460 4" x 6", 300 5" x 7" and 165 8" x 10" prints per hour[7]
- Replace ink less often with high-capacity 250 mL ink packs that help reduce waste compared to traditional cartridge systems
- Print virtually anywhere from your location by easily connecting the printer over Wi-Fi, Ethernet or USB
- Versatile media handling—accommodates rolls up to 8" wide in a variety of finishes for popular-sized prints
- Easy to operate, with 1.44" LCD panel that simplifies print tasks and operation
- New nozzle detection and alignment technology for less downtime and reliable operation
- Compact size with integrated output tray is well-suited for photo booths as well as portrait and event photography
- Duplex feeder allows for double-sided printing for a variety of exciting applications[****]
